

A fair days pay .....  
NO complaints  
about our pay and  
conditions.

Living well  
Playing well  
Saving well

A subtle move this year and to circumvent lots of reading, I recommend that you look at the Review Body Report, Option 1 of 1982, at page 38 paragraph 117. Here you will see the figure of 6.1% increase. However, if you want all the answers, read all of the Review Body Report

1982

but lots of debts ..story of  
your

life?

.....!

In the **BLACK** is nice, but fleeting  
And all too quickly changes when meeting  
The cost of our life style, married or single  
With few coins left in our pockets to jingle.

Then the colour changes to **GREY** well known to mean 'uncertain' bets  
That even the few coins we have are assets or debts  
So we tighten our belts and look to our savings  
Bemoaning our lot and our pay whilst retaining our cravings.

When the piggy-bank is empty but the needs are still there  
We still go ashore with or without a care  
And although now at **RED** when we should stop  
We borrow a rubber, half a bar, to buy our pop.

Then it is pay day, what a relief  
All debts are settled and there is a belief  
That this month things will be different and debt free  
How right you are matey because the ship is due for a month at sea.
