

GENERAL INSTRUCTIONS CONCERNING THE CONTROL ROOM LOG

(Continued)

- h. The entry and discharge of officers and ratings, the number only of the latter to be given. The embarkation and disembarkation of passengers.
 - i. The details and times of any accidents occurring on board, or injury to important store articles or fittings. Any damage caused by or to vessels berthing alongside. The circumstances of the loss of all important stores; it will be sufficient to specify in the Log only the description of the important articles.
 - j. The names and descriptions of any vessels or craft berthing alongside, with the times of arrival and departure and the purpose for which brought alongside.
 - k. Details of any aircraft sighted at sea which are thought to be in distress, or are acting in an unusual manner, together with the details of any action taken in the ship.
 - l. All births and deaths on board.
11. The Officer of the Day is to enter his Night Orders in the space provided on the right-hand page. He is to ensure that all results of Rounds and routine Musters are recorded in the spaces provided.
