Sir,

I beg to draw your attention to an  
article entitled "Cruel Flogging Scandal" published  
in "JOHN BULL" issue of 27th June, 1931 (copy  
attached).

2. The article is so scurrilous and untrue  
that perhaps Their Lordships would treat it with  
contempt. On the other hand I think it might  
possibly have a bad effect on recruiting and  
that Their Lordships might wish to take official  
notice of it.

I have the honour to be,
