Reference:- Commander-in-Chief, Nore's 2047/114/7 of 24.10.54.

ATTEMPT

The following report is submitted in accordance with the reference. As the Boys have started seasonal leave this report covers the whole quarter.

2. 32 Boys ran away from H.M.S. GANGES during the quarter ending 31st December, 1954. Of these 32 boys 1 ran away twice making the total number of offences 36. All were recovered.

3. Of these 32 boys, 3 were Advanced Class, 15 were General Class (1) and 14 were General Class (2).

4. The reasons given by the boys for running away are shown in the Appendix.

5. Although these figures show a satisfactory reduction on those for the previous quarters of 1954, they are still nearly double those of the equivalent quarter in 1953.

6. The increased scale of punishment introduced at the beginning of this term has now taken effect; there have been only ten offences since October 16th.

7. A further report will be submitted on 31st March, 1955.
