Dear Roberts,

I would like to confirm the arrangements I made with you about the Full Inspection of H.M.S. Ganges.

1. The Inspection will be held from 23rd - 27th June. My colleagues and I will arrive on the evening of the 23rd and will go off on the Friday.
2. The following H.M.Is will be present throughout the Inspection - Messrs. H. E. Davies, W. J. Evans, G.E.H. House, E. A. Mount Haes and myself.
3. H.M.Is. Messrs. H. W. French and I. B. Licence will be present on the Tuesday and Wednesday. They will both arrive on the Monday evening.
4. About a week before the Inspection the staff of H.M.S. Ganges will supply us with such further information about time-tables and the duties of the various teachers and instructors so that we shall be able to find our way about and see a representative cross section of the work.
5. H.M.S. Ganges will also supply full information about the syllabuses for technical instruction.

Yours sincerely,

James A. Edgar.
