

In the **BLACK** is nice, but fleeting And all too quickly changes when meeting The cost of our life style, married or single With few coins left in our pockets to jingle.

Then the colour changes to **GREY** well known to mean 'uncertain' bets

That even the few coins we have are assets or debts

So we tighten our belts and look to our savings

Bemoaning our lot and our pay whilst retaining our cravings.

When the piggy-bank is empty but the needs are still there
We still go ashore with or without a care
And although now at RED when we should stop
We borrow a rubber, half a bar, to buy our pop.

Then it is pay day, what a relief
All debts are settled and there is a belief
That this month things will be different and debt free
How right you are matey because the ship is due for a month at sea.
