Dear Mr. Homard,

On behalf of the people of the Kingdom of the Netherlands the National Committee 'Thank you Canada & Allied Forces', I have the honour to present you with the distinction 'Thank you Liberators' together with the certificate.

This medal is awarded to the liberators of the Kingdom of the Netherlands as a token of the gratitude of the Dutch people to those servicemen and women who actually took part in liberating the territory of the Kingdom of the Netherlands.

Yours faithfully,
Assistant to the Defence Attaché

Dick Wip
